Round floor boxes for power or communications
600 Series

600-4-FL
Brass trim ring

600-SC

Features – 600 Series
- Cast iron, watertight body, fully adjustable
- Painted silver enamel inside and out for additional corrosion resistance
- Interior and exterior leveling screws permit adjustment to meet finished floor
- Shipped complete with expendable cap to prevent ingress of concrete during pour
- ¾" threaded conduit openings are standard
- Uses P60 Series MopTite covers and carpet plate, see page C21

Floor boxes for single short-strap receptacles or communications
78 Series

Service fitting application
78 Series Floor boxes provide flush service for power or communications and data. They can be used for either carpet or tile applications.

78 Series – features and benefits:
- Cast iron, watertight body, semi-adjustable
- Painted silver enamel inside and out for additional corrosion resistance
- Exterior leveling screws and threaded vertical adjusting ring permit adjustment to meet finish floor
- Shipped complete with expandable cap to prevent ingress of concrete during pour
- ¾" threaded conduit openings
- Uses P90 Series MopTite covers

Floor boxes for single short-strap receptacles or communications
671 and 672 Series

671 and 672 Series floor boxes provide flush service for power or communications and data.
They can be used in either wood or concrete floors and are suitable for carpet, tile or wood applications.

Features and benefits:
- Cast iron, watertight, non-adjustable
- Painted silver enamel inside and out for additional corrosion resistance
- **For use in wood or concrete floors**
- ½" and ¾" threaded conduit openings; uses P67 Series covers
- Cat. No. 672 is the 671 floor box with factory-mounted 15-ampere, 125-volt, NEMA grounding receptacle and P67-2 MopTite cover plate

Multiple-gang floor boxes for power and communications
640 and 840SC Series

640 and 840 Series floor boxes provide flush service for power, communications and data. Multiple-gang boxes enable the user to place high- and low-voltage in a single floor box.
Floor boxes up to four-gangs are available.
640 and 840 Series boxes can be used for either carpet or tile applications.

640 Series – features and benefits:
- Cast iron, watertight body, fully adjustable
- Painted silver enamel inside and out for additional corrosion resistance
- Interior and exterior leveling screws permit adjustment to finished floor
- Removable partitions for large capacity requirements on 2- and 3- gang
- Shipped complete with expendable cap to prevent ingress of concrete during pour
- ¾" threaded conduit openings are standard
- Uses P64 Series MopTite covers (one cover per gang)

**840SC Series – features and benefits**
- Cast iron, watertight body, semi-adjustable
- Painted silver enamel inside and out for additional corrosion resistance
- Exterior leveling screws for adjustment to finished floor
- Removable partitions for large capacity requirements on 2- and 3-gang
- Shipped complete with expendable cap to prevent ingress of concrete during pour
- ¾" threaded conduit openings are standard
- Uses P64 Series MopTite covers (one cover per gang)

Trim ring SP-641-FL is the replacement part number (1 brass trim ring is included).
